

Winter 2018

Welcome to *Music Makers*!

The fact that MUSIC IS FUN should not be underestimated. Stimulating, amusing activities like learning music will capture and hold your child's interest and satisfy their craving for fun. Music provides a healthy, natural and invaluable opportunity for individual expression while encouraging the development of the whole child, enhancing cognitive, social, physical, and emotional skills. *Music Makers* serves children in 1<sup>st</sup> and 2<sup>nd</sup> grade. Children should have celebrated their 6<sup>th</sup> birthday by September 1, 2017.

All children should have music as a core component of their education, from the first years at pre-school through to their senior high years. Your child's participation in *Music Makers* will provide them with a launching pad for future music education experiences.
